

THA SILENT PARTNER *presents*

**A PLATTERS INTERMISSION:**

**BLUNTEDSESH**

*Beats under the influence... Simple.*

*I was never the weed smoker. Mostly social.*

*I have good friends that like to pass the dutchie*

*and i'm always on the left hand side... for some reason.*

*But honestly the way my mind works, the J.O.B. and the state of the world's fuckery...*

*I think it's time to put one in the air!*

*Now making music is therapeutic for me.*

*Match that with Relaxing properties of the OG Kush I was supplied...*

*You have BLUNTEDESSEH. A Platters Intermission.*

*7 days... 7 Smoothed out joints that surprised the fuck outta me!*

*Consider this as a Christmas prezzie and the start of my "4 Quarters" 10 Years of  
Platters Celebration!*

*Every quarter (3 months) blocSonic and I will be releasing a new project! 4 in all!*

*We'll be kicking that off 1-9-18*

*Hope you enjoy!!*

*10 years ago on Christmas Eve, I released the 1st act of Platters.  
A beat series that exceeded my expectations! Reach and number wise.  
Beats from the series have been downloaded WORLD WIDE!  
Featured in movies, commercials, and all over youtube since it started!*

*I want to thank the 100,000 plus music lovers and content creators!  
Thanks to the emails, donations, gifts  
You all inspire to keeping producing because I know I'm inspiring you.  
Making music is therapeutic for me. Letting you hear anything I make is like  
letting you into my world and soul. The response is beyond satisfying!*

*I also want to thanks Michael Gregoire and his blocSonic label.  
I consider myself a worker than a boss and I'm grateful for the role you play.  
Thank you for understanding me and my art... even when I was unsure.  
Thanks for getting my music heard! The 100,000 belong to you as well!*

*Thanks to Jamendo, Free Music Archive, and the creative commons community*

*Here's to another 10 years of Platters!*

*Thank You,  
Gregory "Tha Silent Partner" Davis*

Thanks again to **Gregory “Tha Silent Partner” Davis**.  
*This is a stunningly gorgeous collection that builds on  
the already formidable legacy that you’ve built with Platters.  
Heads who are paying attention will likely find a new favorite in it.*

*- Mike Gregoire, blocSonic*
