This is the BADLUCK's 3rd project in as many months that finds him partnering with talents of such a high caliber and delivering hip hop of such excellence, it's simply mind-blowing. I hope this is the first of many projects by KIN LUCK.

Luck, you're a hip-hop god in the making... you already know I'm a fan. Kin... incredible work... welcome to the blocSonic fam. I can't wait to further introduce bloc's listeners to your talent.

**Thanks also goes out to all producers and featured artists...
you all shined immensely.**
