GINGERBREAD MEN ^{3:46}

Beats & rhymes: Pot-C

Rhymes: C-Doc

Cuts: Cheese

Pot-C:

Back again - huffin' markers indelible - the ferro magnetic duo servin' edible
Audio to ya - save the milk and cookies - for Santa or Krampus - self addressed
and stamped us

Into any noggin' within earshot of us doggin' - mics - we'll make a Boglin outta any
Kenny logged in

Hoggin' like the boss - either Bruce or J.D. - in Mona's flask - from the cast it's easy
To deduce who's juice is fresh froze or powdered - if your mom controls the sugar -
so long to the power

Snap with no 'Oh' - B pressed the turbo - "Judas Priest, Barbara! - this one's outta
control!"

So if you really don't know - forget the actin' career - it's Pot-C and C-Doc - right
now - right here

With the hook of the year to make you pound back the beer - reminisce and get
pissed and laugh til ya tear

Cassette Tape Bandits did it and we don't stop - yes we did it again
Cassette Tape Bandits never gonna quit with mics gripped tight in our hands
Cassette Tape Bandits runnin' off with hip-hop just like gingerbread man
If you can't stand it - you better get up off your ass - catch us if you can

C-Doc:

How you gonna catch what you can't even see? It's the
CTB part two not three,

|

Be C-D to the O to the C with the one P-O-T slash C-E-M
C double E on the M-I-C
checkin... I

Reckon that you're checkin us wreckin mics until there's nothin
Left and we're still not finished cause the song ain't over
I'mma show the crowd the way the Bandits rock your head and shoulders
Told ya I'mma go for closure when my money folders full
Pots has got the sauce to help me get across the golden rule
Stay cool Maybe play pool just to chill out

Kill doubt- so money like a hundred dollar bills out- and
Sittin on the tables that turn with the record labels, we
Shorted out all the cables until the systems disabled- it's
Fatal for all the wack emcees that wanna try to follow- and are
Bitin' and Chokin' because it's too hard to swallow... CTB!
