Time shake the doubt I always thought about, time to call 'em out  
They want beef like this a porter house, what's that all about  
Don't even know me, so your hate is phony, I'm on this paper route  
Far from a boy scout, might just punch you in the mouth  
Them goons want to see war but never shed blood at all  
When death be at your front door, the lord is who yall calling for  
Sing the same tune, yo, the reaper heard it all before  
Prayers don't get answered, guess He don't want you to call no more  
Help those who help themselves it's what they say  
You on your own either way, most see that as just another day  
The path we take got plenty of dues to pay  
When the piper comes to collect, what I heard is that, that dude don't play  
Give up what is owed, don't ask questions is what we're told  
Feel haunted by the choice that was made at the fork in the road  
What would life be like if we took a different path  
They might just all lead to same aftermath, so I'm glad  
I got to meet those that I've met, all my friends, especially my ex  
Even through all the regrets, I had moments that were perfect

Was it all worth it, I'll tell you when its all said and done  
But I know I still got work to do, show these clowns that I'm the one  
To never doubt in the clutch, I took my sweet time  
Still nice with mines, sharper with the beats and rhymes  
While it might seem that the lyricist are on the decline  
I know a gang of them, ready to step onto the front lines  
I always keep a Partner who be Silent  
Who grabs something so divine, chop it up and redefine it  
I add the urban poetry behind it  
We go make it blend well so the heads can go rewind it  
That Bloc Sonic, those who crave it is who we made it for  
I got a whole stash box, not sure why I even saved it for  
Whoever needs it will receive it and understand  
It might have took a while to get it but it must had been part of the plan  
And I'm patient to a fault, was never sure of the bigger scheme  
But hopefully in the end I got to live out my...  
I get to live out my dreams... nademean...
