Boston area musician **Jeff Murray** has been putting out Psychedelic Folk IDM for the past few years. *Radiant Jaguar* is his third release under the name **Lofius**, and his first for the netlabel **blocSonic**; although a single, *District 65*, was included on their compilation *netBloc Vol. 40: AAIR Attack* in 2012. This EP is a collection of five songs hammered out during the past year and recorded using Ableton Live in conjunction with other analog devices and instruments.
