**THE BEATTAPE THAT WAS PLAYING WHILE YOUR
AUNTY WAS GETTING HER PUMS SMASHED TO BITS**

STRAIGHT FROM THE MAAHFACKIN' CASSETTE...

Cause I Pretty much processed it like so.

So let Me explain this shit... I made a dope title for a project and had to put it on something.
And what's better than to place that title on a beattape?

Plus I didn't want to call it "TAPE DECK 2".

Other than that, I can't explain it... Yeah, I know.

These are misfits beats from the projects that I scrapped.

And combined with smutty interludes because I enjoy porn. Yeah, I know. I explained it.

I also mixed and mastered it to sound like it's being played on on a tape.

So don't expect hi and lofi here. Cassettes were always somewhat in the middle. That's where the "warmth" came from.

THIS is the start of my "4 Quarters" 10 Year's of Platters Celebration! Every quarter (3 months) blocSonic and I will be releasing a new project!
4 in all! With some goodies in between... Hopefully. ;-) Enjoy.
