SPIEDKIKS

A POMPOUS WHIMSY PEAK

A Pompous Whimsy Peak is the fifth Creative Commons licensed studio album by Spiedkiks. It was produced and recorded on and off between January and April 2020. Originally intended to be a dusty downbeat record to celebrate, in combination with the fourth studio album *Super Constellation* (Oct. 19), our 10th anniversary, the recording took place at Spiedkiks' home studio in Cologne, Germany.

The background is a complex, layered abstract artwork. It features stylized, colorful buildings in shades of blue, purple, and yellow, arranged in a dense, urban-like pattern. Overlaid on these are large, stylized faces with prominent eyes and intricate patterns on their faces. The overall style is reminiscent of mid-20th-century abstract art or perhaps a collage of various artistic influences. The colors are muted and blended, creating a rich, textured effect.

The background of the entire page is a dense, repeating pattern of stylized, colorful masks and faces. These masks are rendered in a folk-art or tribal style, with various shapes, patterns, and colors including red, blue, yellow, and green. They are arranged in a way that creates a textured, almost wallpaper-like effect.
